**Almedahls Home launches the Autumn/Winter collection (AW23),
a journey in time and memory through the magic of patterns**

The collection, rich in timeless and expressive designs, offers a harmonious blend of deep and neutral colors, perfect for autumn and winter ambiance.

Three new designs – Korg, Pinnebär, and Julhuset, along with beloved classics in new interpretations, provide the opportunity for a personal touch in every home. We aim to create emotional connections and personal spaces through the power of design.

With AW23, striking patterns and harmonious colors meet to create a eye-catching and cohesive interior.
