## Welcome to Almedahls

Every good story has a beginning

Almedahls is a Swedish design company rooted in traditions dating back to the foundation of the company in 1846. We develop and publish home and lifestyle products with distinct Scandinavian design.

The brand balances elegantly between offering a connection with our origins whilst being highly contemporary. Our products are truly at home in settings where people spend time together.

# KÖKSPOLKA

Almedahls hold a deep archive of designs – the design treasury – from which we draw endless inspiration.

This was done with the Kökspolka (Kitchen Polka) design which was re-imagined by Almedshls Design Studio, and hence once again could tell the story about family Christmas in the Scandinavian kitchen.
